HRM ENTERPRISE™

Manager of your most valuable asset - employees

hSenid HRM Enterprise is an award winning application designed to facilitate organizations to effectively manage human resources and minimize managerial costs. The most important asset of any organization is its people. hSenid HRM Enterprise takes care of them upon recruitment, from the very first day till their retirement and even afterwards. It is crucial to manage them well, bringing out their best, to benefit both the organization and themselves.

FAST, ACCURATE AND COMPREHENSIVE INFORMATION

Leading companies have recognized that the HR role is not limited only to employee-related administrative paperwork. hSenid HRM Enterprise capacitates the HR department to do much more. By being provided with fast, accurate, automatically updated information, HR managers are able to make appropriate decisions and to focus their attention on more strategic issues. The result? Your organization will respond more rapidly to ever-changing trends and boost your profitability.

hSenid HRM Enterprise takes care of all information about your employees, starting from personal information relating to leave, training & development, time & attendance, performance, medical, loans, welfare and even disciplinary information altogether with HR planning. This flexible solution enables links to Payroll management and many other areas.

BENEFITS YOU WILL ENJOY

- ▶ Flexible workflow system which enables you to set approval hierarchies on any functional areas.
- ▶ Fast and easy simultaneous access to employee data by any number of users, via a secured environment.
- ▶ Lowered managerial costs due to elimination of unnecessary paperwork.
